“thought” a juggler was at the door.
Based in Los Angeles, Ivan brings the
term “High Energy” to an entirely
different level by delivering an
unforgettable show unlike anything you
have seen before. Whether Ivan is
blindly kicking a flaming torch over his
head, or inciting laughter so that you’ll
wish you would have worn adult
diapers, if you didn’t love juggling
before this show, you will after... or at
least tolerate it....*
